

WARDWELL WATER & SEWER DISTRICT
P.O. BOX 728
MILLS, WY 82644
(307) 265-7034

ATTENTION WARDWELL WATER & SEWER CUSTOMERS!!

Due to increased national security concerns and resulting laws, we will no longer be able to disclose information about an account over the phone without a security pass code. You may stop by the office during normal business hours and fill out a change to your account that will enable us to add a security code of your choosing to your acct. Please be aware that **ONLY** the account holder can make changes to the account, and that you must be able to provide a picture ID at the time to make a change.

While we are aware that this is an inconvenience, we are concerned about the personal and financial affairs of our customers. Please be patient with us as we work to implement this change as swiftly and painlessly as possible.

The deadline for this change to be applied to the account, is February 1, 2015. After this date we will be unable to provide ANY information to anyone about an account that does not have a security code attached to it.

Thank you for your cooperation. We apologize for any inconvenience this may cause you.

Mykael Graham
